Product: BioGuard 4-Way Pool and Spa Test Strips

**Health Hazard Information:**

The test strip components of this product are categorized in OSHA section 29CFR 1910.1200, as an article and therefore an MSDS is not required. OSHA defines an article as "a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacturer; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, e.g. minute or trace amounts of a hazardous chemical, and does not pose a physical hazard or health risk to employees."

**Transport Information:**

This product does not pose any risk.

**Accidental Release Measures:**

If the product is spilled, dispose of all product as normal household waste.
